ORDER

AND NOW, this 28<sup>th</sup> day of June, 2018, upon consideration of plaintiff's Motion for Judgment on the Pleadings, defendants' Motion to Compel Answers to Interrogatories and Production of Documents, the responses thereto, and all other matters of record, and after oral argument on the discovery Motion, it is **ORDERED** as follows:

1. The Motion for Judgment on the Pleadings is **DENIED**.<sup>1</sup>
2. The Motion to Compel is **GRANTED in part**, and plaintiff shall amend its responses to defendants' Interrogatories and produce all documents responsive to defendants' Document Requests with respect to Towers' informed consent to Morgan Lewis' alleged conflict of interest.<sup>2</sup>

Towers Watson Delaware,-ORDER

17040209600076

<sup>1</sup> The court will not enter a judgment for liability for legal malpractice based on emails and other communications where such documents, in their entirety, are not part of the record before the court.

<sup>2</sup> Plaintiff has agreed to let defendants take the depositions of the in-house counsel who dealt directly with Morgan Lewis with respect to the 2010 and 2012 retainer agreements containing the prospective conflict waivers.

2. The remainder of the Motion to Compel is **DENIED** without prejudice to be raised at a later time.<sup>3</sup>

**BY THE COURT,**

  
\_\_\_\_\_  
**PATRICIA A. McINERNEY, J.**

---

<sup>3</sup> Specifically, if a Towers' witness relies on, or claims to have relied on, the Pepper analysis in support of Towers' claim for damages arising out of the settlement of the underlying dispute, then the Pepper analysis may have to be produced in discovery. However, since the amount paid by Towers in that settlement may prove not to be recoverable damages in this action, the Pepper analysis may not be relevant.
