Robert,

Sorry for the late response. Travelcar has only inquired about a Non-Exclusive License Agreement with LAWA, we sent NELA information and they have not inquired further. LAWA recently redid the list of Rental Car Companies in the LAX area or that advertise an LAX location and we are in the process of going through the list for unauthorized activity .

The Los Angeles City Attorney is pursuing litigation against Turo, similar to SFO. The City Attorney is obtaining all relevant information at this time.

### Off-Site RACS with NELAs

Airport Van Rental

AMPM

Midway (Mcar) – in process of obtaining NELA

Rightcar – in process of obtaining NELA

Silvercar

Please let me know if you have any additional questions or concerns.

Hi Jason, thanks for the help with an office yesterday! Any word on contract with TravelCar? Can you provide an update on TURO? Can you send me a complete list of off site rental car companies that have executed your license agreement? Thank you, Robert
