

Fulton County Family Division Questionnaire

1. Compared to five years ago, the Family Division today is: Better; About the same, Worse; No basis for comparison

If you answered "better" or "worse", what has changed?

2. Compared to five years ago, I find that my Family Division cases are getting resolved: More quickly; In the same amount of time; More slowly; No basis for comparison

3. The Family Division's use of Judicial Officers is: Generally helpful to my clients and cases; A mixed result for my clients and cases; Generally unhelpful to my clients and cases. Please explain your answer.

4. If I could change anything about the Family Division's scheduling rules, it would be:

5. If I could change anything else about the Family Division, it would be:

6. Assuming for purposes of this question that the frequency with which judges rotate onto and off of the Family Division is not going to change (i.e., terms of 24 months), do you: Support keeping the Family Division? Support returning family cases to all twenty judges? Have a third option that you can describe below?

7. If the Superior Court decided to assign family cases to all twenty judges, my biggest concerns about such a change would be:

8. Anything else you would like to share about practicing family law in the Superior Court of Fulton County?
