2.

The estimated time required for trial is 5 days.

3.

There are no motions or other matters pending for consideration by the Court except as follows:

By the Plaintiffs:

Plaintiffs will file Motions *in limine* no later than March 5, 2021 due to the truncated timeline for this jury trial. Plaintiffs reserve the right to file any necessary motions prior to and during the trial of this case if additional issues arise.

In light of the recent deposition of Dr. DiBernardo, Plaintiffs will file a Motion *in limine* to exclude the testimony of Dr. DiBernardo. Plaintiffs reserve the right to call rebuttal witnesses if Dr. DiBernardo is permitted to testify in areas outside his area of expertise of anatomical pathology, including but not limited to, radiology or toxicology.

By the Defendants:

The Defendants will file motions *in limine* on or before March 5, 2021. The Defendants reserve the right to file other necessary motions prior to and during the trial of this case, should additional issues arise.

4.
