TRIAL DIVISION – CIVIL

NOTICE TO THE BAR

PROTOCOL FOR THE RESUMPTION OF ARBITRATION HEARINGS DURING COVID-19 JUDICIAL EMERGENCY

General Statement

Pursuant to paragraph 3 of President Judge Administrative Order, Amended No. 33 of 2020, dated May 21, 2020, Compulsory Arbitration Hearings will resume utilizing Zoom video conferencing services for all participants. Counsel and Litigants are reminded of the *Notice of Policies and Protocols for use of Advanced Communication Technology for Court Proceedings in Civil Matters* issued on July 16, 2020. The Order and Notice can be found at <http://www.courts.phila.gov/covid-19/>.

Protocol for Arbitration Hearings

1. All matters currently scheduled for an Arbitration Hearing in September of 2020 will either be continued to a date in 2021, if there is no Service of Original Process, or sched-

uled for a settlement conference with an Arbitration Judge Pro Tempore (AJPT). This is a continuation of the AJPT program implemented for the June, July and August Arbitration matters. The conferences will be conducted pursuant to the Notices to the Bar that were announced on May 11, 2020 and on June 11, 2020. Those Notices can be found at: <http://www.courts.phila.gov/covid-19/>.

2. All matters currently scheduled for an Arbitration Hearing in October 2020, as well as the remainder of 2020, will be placed in a "pool program" similar to what has been the practice with matters on Appeal from Arbitration.
3. Cases currently listed for Arbitration for the remainder of 2020, beginning with October, will be considered "ready to try" and are subject to a relisting for a virtual hearing during the month of their current hearing date.
4. Any party who has a case listed for Arbitration after September 30, 2020 is strongly encouraged to confer with opposing counsel or self-represented litigants to determine the case's readiness to proceed to Arbitration. If the matter is not ready to proceed to Arbitration, a Continuance/Deferral Application shall be filed by agreement of the parties as soon as possible.
5. A new Notice of Arbitration will be sent to all counsel and self-represented litigants for those cases selected for a "pool" hearing date. Thereafter, a Scheduling Order will be issued for all cases listed for a remote hearing; the Order will include details on participating remotely.
6. The Notice will be sent 25 days prior to the hearing date. Notice will be generated by the FJD's electronic filing system. Accordingly, those participants with email addresses in Banner will receive notice electronically. Otherwise, Notice will be sent by mail.
7. Zoom Arbitration Hearings will be scheduled and hosted by the Arbitration Center. The matter will be conducted by a panel of three arbitrators and the chair of the panel will be a co-host of the proceedings. The arbitrators will participate by Zoom.

COMMENTARY

Regarding Subsection B, "documents for any case filed with, accepted and maintained by a court or custodian" are those not created by a court or custodian, such as pleadings and motions. Indices are tools for identifying specific cases.

Regarding Subsection C, examples of clerical errors are the docket entry links to the wrong document or court personnel misspells a name in the caption.

Regarding Subsection G, the definition of "custodian" includes clerks of court, prothonotaries, clerks of orphans' court and magisterial district judges, for example. The definition does not include those entities listed in Pa.R.A.P. 3191 who receive copies of briefs filed in an appellate court or a register of wills.

Court Notices

continued from 45

Regarding Subsection K, this definition is derived from the definition of “health information” provided in 45 C.F.R. § 160.103 (HIPAA). Examples of case records that would fall within this exclusion are: drug and alcohol treatment records, psychological reports in custody matters, and DNA reports.

Regarding Subsection M, *amici curiae* are not parties. See Pa.R.A.P. 531.

Regarding Subsection N, Unified Judicial System officials or employees include: judicial officers and their personal staff, administrative staff and other central staff, prothonotaries, clerks of the courts, clerks of the orphans’ court division, sheriffs, prison and correctional officials, and personnel of all the above.

Section 2.0 Statement of General Policy

- A. This policy shall govern access by the public to case records.
- B. Security, possession, custody, and control of case records shall generally be the responsibility of the applicable custodian and designated staff.
- C. Facilitating access by the public shall not substantially impede the orderly conduct of court business.
- D. A court or custodian may not adopt more restrictive or expansive access protocols than provided for in this policy. Nothing in this policy requires a court or custodian to provide remote access to case records. However, if a court or custodian chooses to provide remote access to any of its case records, access shall be provided in accordance with Section 10.0.

COMMENTARY

The *Electronic Case Record Public Access Policy of the Unified Judicial System of Pennsylvania* provides for access to the statewide case management systems’ web docket sheets and requests for bulk data.

Section 3.0 Access to Case Records

All case records shall be open to the public in accordance with this policy.

Section 4.0 Requesting Access to Case Records

- A. When desiring to inspect or copy case records, a member of the public shall make an oral request to the applicable custodian, unless otherwise provided by a local rule or an order issued by a court of record.
- B. When the information that is the subject of the request is complex or voluminous, the custodian may require a written request. If the requestor does not submit a written request when required, access may be delayed until the written request is submitted or a time when an individual designated by the custodian is available to monitor such access to ensure the integrity of the case records is maintained.
- C. Requests shall identify or describe the records sought with specificity to enable the custodian to ascertain which records are being requested.

COMMENTARY

Public access requests to the courts and custodians are routinely straightforward and often involve a limited number of records. Therefore, artificial administrative barriers should not be erected so as to inhibit making these requests in an efficient manner.

This policy provides the courts and custodians latitude to establish appropriate administrative protocols for viewing/obtaining case records remotely. However, the definition of “remote access” in Section 1.0 clarifies that a request under this section is neither necessary nor expected under this policy.

Nonetheless, Subsection B provides a custodian with the flexibility to require that a more complex request be submitted in writing to avoid misunderstandings and errors that can often result in more time being expended to provide the requested information than is necessary. This approach is not novel; submission of a written request form has been a longstanding practice under the Unified Judicial System’s *Electronic Case Record Public Access Policy of the Unified Judicial System of Pennsylvania*.

Subsection C does not require a requestor to identify a case by party or case number in order to have access to the files, but the request shall clearly identify or describe the records requested so that court personnel can fulfill the request.

Written requests should be substantially in the format designed and published by the Administrative Office of Pennsylvania Courts.

Section 5.0 Responding to Requests for Access to Case Records

- A. A custodian shall fulfill a request for access to case records as promptly as possible under the circumstances existing at the time of the request.
- B. If a custodian cannot fulfill the request promptly or at all, the custodian shall inform the requestor of the specific reason(s) why access to the information is being delayed or denied.
- C. If a custodian denies a written request for access, the denial shall be in writing.

- D. Except as provided in Subsection E, relief from a custodian’s written denial may be sought by filing a motion or application with the court for which the custodian maintains the records.
- E. Relief from a magisterial district court may be sought by filing an appeal with the president judge of the judicial district or the president judge’s designee. Relief from a written denial by the Philadelphia Municipal Court may be sought by filing a motion with the president judge of Philadelphia Municipal Court or the president judge’s designee.

COMMENTARY

Given that most public access requests for case records are straightforward and usually involve a particular case or matter, custodians should process the same in an expeditious fashion.

There are a number of factors that can affect how quickly a custodian may respond to a request. For example, the custodian’s response may be slowed if the request is vague, involves retrieval of a large number of case records, or involves information that is stored off-site. Ultimately, the goal is to respond timely to requests for case records.

In those unusual instances in which access to the case records cannot be granted in an expeditious fashion, the custodian shall inform the requestor of the specific reason(s) why access to the information is being delayed or denied, which may include:

- the request involves such voluminous amounts of information that the custodian is unable to fulfill the same without substantially impeding the orderly conduct of the court or custodian’s office;
- records in closed cases are located at an off-site facility;
- a particular file is in use by a judge or court staff. If a judge or court staff needs the file for an extended period of time, special procedures should be considered, such as making a duplicate file that is always available for public inspection;
- the requestor failed to pay the appropriate fees, as established pursuant to Section 6.0 of this policy, associated with the request;
- the requested information is restricted from access pursuant to applicable authority, or any combination of factors listed above.

With respect to Subsection D, an aggrieved party may seek relief from a denial of a written request for access consistent with applicable authority (for example, in an appellate court, Pa.R.A.P. 123 sets forth procedures for applications for relief under certain circumstances, or pertinent motion practice at the trial court level).

Section 6.0 Fees

- A. Unless otherwise provided by applicable authority, fees for duplication by photocopying or printing from electronic media or microfilm shall not exceed \$0.25 per page.
- B. Except as provided in Subsection C, a custodian shall establish a fee schedule that is (1) posted in the court facility in an area accessible to the public, and (2) posted on the custodian’s website.
- C. Any fee schedule for a magisterial district court shall be established by the president judge of the judicial district by local rule pursuant to Pa.R.J.A. No. 103(c). The fee schedule shall be publicly posted in an area accessible to the public.

COMMENTARY

Reasonable fees may be imposed for providing public access to case records pursuant to this policy and in accordance with applicable authority. This section does not authorize fees for viewing records that are stored at the court facility.

To the extent that the custodian is not the court, approval of the fee schedule by the court may be necessary.

An example of applicable authority setting forth photocopying fees is 42 Pa.C.S. § 1725(c)(1)(ii) that provides the Clerk of Orphans’ Court of the First Judicial District shall charge \$3 per page for a copy of any record. See also 42 P.S. § 21032.1 (providing authority for the establishment of fees in orphans’ court in certain judicial districts). In addition, the copying fees for appellate court records are provided for in 204 Pa. Code §

- 1.1. However, copies of most appellate court opinions and orders are available for free on the Unified Judicial System’s website, www.pacourts.us.

Section 7.0 Confidential Information

- A. **[Unless required by applicable authority or as provided in Subsection C, t] The following information is confidential and shall not be [not] included in any document filed with a court or custodian, except on a Confidential Information Form filed contemporaneously with the document or as provided in Subsection C:**

1. Social Security Numbers;
2. Financial Account Numbers, except an active financial account number may be identified by the last four digits when the financial account is the subject of the case and cannot otherwise be identified;
3. Driver License Numbers;
4. State Identification (SID) Numbers;

Court Notices

continued from 46

5. Minors' names and dates of birth except when a minor is charged as a defendant in a criminal matter (see 42 Pa.C.S. § 6355); and
6. Abuse victim's address and other contact information, including employer's name, address and work schedule, in family court actions as defined by Pa.R.C.P. No. 1931(a), except for victim's name.

This section is not applicable to cases that are sealed or exempted from public access pursuant to applicable authority.

- B. The Administrative Office of Pennsylvania Courts shall design and publish the Confidential Information Form.
- C. Instead of using the Confidential Information Form, a court of record may adopt a rule or order permitting the filing of any document in two versions, a "Redacted Version" and "Unredacted Version." The "Redacted Version" shall not include any information set forth in Subsection A, while the "Unredacted Version" shall include the information. Redactions must be made in a manner that is visibly evident to the reader. This Subsection is not applicable to filings in a magisterial district court.
- D. Parties and their attorneys shall be solely responsible for complying with the provisions of this section and shall certify their compliance to the court. The certification that shall accompany each filing shall be substantially in the following form: "I certify that this filing complies with the provisions of the *Case Records Public Access Policy of the Unified Judicial System of Pennsylvania* that require filing confidential information and documents differently than non-confidential information and documents." **The certification language may be inserted in the document to be filed, thereby obviating the need for a separate certification form.**
- E. A court or custodian is not required to review or redact any filed document for compliance with this section. A party's or attorney's failure to comply with this section shall not affect access to case records that are otherwise accessible.
- F. If a filed document fails to comply with the requirements of this section, a court of record may, upon motion or its own initiative, with or without a hearing, order the filed document sealed, redacted, amended or any combination thereof. A court of record may impose sanctions, including costs necessary to prepare a compliant document for filing in accordance with applicable authority.
- G. If a filed document fails to comply with the requirements of this section, a magisterial district court may, upon request or its own initiative, with or without a hearing, order the filed document redacted, amended or both.
- H. This section shall apply to all documents for any case filed with a court or custodian on or after the effective date of this policy.

COMMENTARY

[There is authority requiring information listed in Subsection A to appear on certain documents. For example, Pa.R.C.P. No. 1910.27 provides for inclusion of the plaintiff's and defendant's social security number on a complaint for support.]

This section is not applicable to cases that are sealed or exempted from public access pursuant to applicable authority, for example, cases filed under the Juvenile Act that are already protected by 42 Pa.C.S. § 6307, and Pa.Rs.J.C.P. 160 and 1160.

Attorneys are reminded that Rules 1.1 and 1.6 of the Rules of Professional Conduct require familiarity and compliance with this policy.

While Pa.R.C.P. No. 1931 is suspended in most judicial districts, the reference to the rule is merely for definitional purposes.

Unless constrained by applicable authority, court personnel and jurists are advised to refrain from inserting confidential information in court-generated case records (e.g., orders, notices) when inclusion of such information is not essential to the resolution of litigation, appropriate to further the establishment of precedent or the development of law, or necessary for administrative purposes. For example, if a court's opinion contains confidential information and, therefore, must be sealed or heavily redacted to avoid release of such information, this could impede the public's access to court records and ability to understand the court's decision.

Whether using a Confidential Information Form or filing a redacted and unredacted version of a document in a court of record, the drafter shall indicate where in the document confidential information has been omitted. For example, the drafter could insert minors' initials in the document, while listing full names on the Confidential Information Form. If more than one child has the same initials, a different moniker should be used (e.g., child one, child two, etc.). **The Confidential Information Form published by the Administrative Office of Pennsylvania Courts includes alternative references that should be used by the drafter.**

The option to file a redacted and unredacted version of a document does not apply to filings in a magisterial district court. Most filings in magisterial district courts are completed on statewide forms designed by the Administrative Office of Pennsylvania Courts. Safeguarding the information set forth in this Section for magisterial district courts is achieved through the use of a Confidential Information Form (see Subsection A) in tandem with other administrative protocols (e.g., [instituting] a public access copy page **that shields confidential information was added** to the citation form set).

With regard to Subsection D, the certification of compliance is required whether documents are filed in paper form or via an e-filing system. Moreover, the certification is required on

every document filed with a court or custodian regardless of whether the filing contains "confidential information" requiring safeguarding under this policy. **The certification is included on many forms that parties and attorneys file with the magisterial district courts. For documents e-filed through PACFile, available in the appellate courts and some common pleas courts, the filer can certify compliance by checking a box. In addition, the Administrative Office of Pennsylvania Courts included the certification the Confidential Information Form as well as created a sample stand-alone certification form that parties and attorneys may use or simply incorporate the language into their filed documents. This form may be found on the Unified Judicial System's website, www.pacourts.us.**

With regard to Subsection E, a court or custodian is not required to review or redact documents filed by a party or attorney for compliance with this section. However, such activities are not prohibited.

With regard to Subsection F, any party may make a motion to the court of record to cure any defect(s) in any filed document that does not comport with this section.

With regard to Subsection G, any party may file a request form designed and published by the Administrative Office of Pennsylvania Courts with a magisterial district court when there is an allegation that a filing was made with that court that does not comply with this policy.

Section 8.0 Confidential Documents

- A. **[Unless required by applicable authority, t] The following documents are confidential and shall be filed with a court or custodian under a cover sheet designated "Confidential Document Form":**
 1. Financial Source Documents;
 2. Minors' educational records;
 3. Medical/Psychological records;
 4. Children and Youth Services' records;
 5. Marital Property Inventory and Pre-Trial Statement as provided in Pa.R.C.P. No. 1920.33;
 6. Income and Expense Statement as provided in Pa.R.C.P.No. 1910.27(c); and
 7. Agreements between the parties as used in 23 Pa.C.S. §3105.

This section is not applicable to cases that are sealed or exempted from public access pursuant to applicable authority.

- B. The Administrative Office of Pennsylvania Courts shall design and publish the Confidential Document Form.
- C. Confidential documents submitted with the Confidential Document Form shall not be accessible to the public, except as ordered by a court. However, the Confidential Document Form or a copy of it shall be accessible to the public.
- D. Parties and their attorneys shall be solely responsible for complying with the provisions of this section and shall certify their compliance to the court. The certification that shall accompany each filing shall be substantially in the following form: "I certify that this filing complies with the provisions of the *Case Records Public Access Policy of the Unified Judicial System of Pennsylvania* that require filing confidential information and documents differently than non-confidential information and documents." **The certification language may be inserted in the document to be filed, thereby obviating the need for a separate certification form.**
- E. A court or custodian is not required to review any filed document for compliance with this section. A party's or attorney's failure to comply with this section shall not affect access to case records that are otherwise accessible.
- F. If confidential documents are not submitted with the Confidential Document Form, a court of record may, upon motion or its own initiative, with or without a hearing, order that any such documents be sealed. A court of record may also impose appropriate sanctions for failing to comply with this section.
- G. If a filed document fails to comply with the requirements of this section, a magisterial district court may, upon request or its own initiative, with or without a hearing, order that any such documents be sealed.
- H. This section shall apply to all documents for any case filed with a court or custodian on or after the effective date of this policy.

COMMENTARY

This section is not applicable to cases that are sealed or exempted from public access pursuant to applicable authority, such as Juvenile Act cases pursuant to 42 Pa.C.S. § 6307, and Pa.Rs.J.C.P. 160 and 1160.

Attorneys are reminded that Rules 1.1 and 1.6 of the Rules of Professional Conduct require familiarity and compliance with this policy.

Unless constrained by applicable authority, court personnel and jurists are advised to refrain from attaching confidential documents to court-generated case records (e.g., orders, notices) when inclusion of such information is not essential to the resolution of litigation, appropriate to further the establishment of precedent or the development of law, or necessary for administrative purposes. For example, if a court's opinion contains confidential information and, therefore, must be sealed or heavily redacted to avoid release of such information, this could impede the public's access to court records and ability to understand the court's decision.

See 23 Pa.C.S. § 3105 for more information about agreements between parties.

With regard to Subsection D, the certification of compliance is required whether documents are filed in paper form or via an e-filing system. Moreover, the certification is required on every document filed with a court or custodian regardless of whether the filing contains a “confidential document” requiring safeguarding under this policy. **The certification is included on many forms that parties and attorneys file with the magisterial district courts. With regard to Subsection E, if the party or party’s attorney fails to use a cover sheet designated “Confidential Document Form” when filing a document deemed confidential pursuant to this section, the document may be released to the public.

With regard to Subsection F any party may make a motion to the court of record to cure any defect(s) in any filed document that does not comport with this section.

With regard to Subsection G, any party may file a request form designed and published by the Administrative Office of Pennsylvania Courts with a magisterial district court when there is an allegation that a filing was made with that court that does not comply with this policy.

Section 9.0 Limits on Public Access to Case Records at a Court Facility

The following information shall not be accessible by the public at a court facility:

- A. Case records in proceedings under 20 Pa.C.S. § 711(9), including but not limited to case records with regard to issues concerning recordation of birth and birth records, the alteration, amendment, or modification of such birth records, and the right to obtain a certified copy of the same, except for the docket and any court order or opinion;
- B. Case records concerning incapacity proceedings filed pursuant to 20 Pa.C.S. §§ 5501-5555, except for the docket and any final decree adjudicating a person as incapacitated;
- C. Any Confidential Information Form or any Unredacted Version of any document as set forth in Section 7.0;
- D. Any document filed with a Confidential Document Form as set forth in Section 8.0;
- E. Information sealed or protected pursuant to court order;
- F. Information to which access is otherwise restricted by federal law, state law, or state court rule; and
- G. Information presenting a risk to personal security, personal privacy, or the fair, impartial and orderly administration of justice, as determined by the Court Administrator of Pennsylvania with the approval of the Chief Justice. The Court Administrator shall publish notification of such determinations in the *Pennsylvania Bulletin* and on the Unified Judicial System’s website.

COMMENTARY

Unless constrained by applicable authority, court personnel and jurists are advised to refrain from inserting confidential information in or attaching confidential documents to court-generated case records (e.g., orders, notices) when inclusion of such information is not essential to the resolution of litigation, appropriate to further the establishment of precedent or the development of law, or necessary for administrative purposes. For example, if a court’s opinion contains confidential information and, therefore, must be sealed or heavily redacted to avoid release of such information, this could impede the public’s access to court records and ability to understand the court’s decision.

With respect to Subsection F, Pennsylvania Rule of Appellate Procedure 104(a), Pa.R.A.P. 104(a), provides that the appellate courts may make and amend rules of court governing their practice. The Administrative Office of Pennsylvania Courts shall from time to time publish a list of applicable authorities that restrict public access to court records or information. This list shall be published on the Unified Judicial System’s website and in the *Pennsylvania Bulletin*. In addition, all custodians shall post this list in their respective court facilities in areas accessible to the public and on the custodians’ websites.

With respect to Subsection G, the Administrative Office of Pennsylvania Courts shall include any such determinations in the list of applicable authorities referenced above. The same provision appears in the *Electronic Case Record Public Access Policy of the Unified Judicial System of Pennsylvania*. The provision is intended to be a safety valve to address a future, extraordinary, unknown issue of statewide importance that might escape timely redress otherwise. It cannot be used by parties or courts in an individual case.

Section 10.0 Limits on Remote Access to Case Records

- A. The following information shall not be remotely accessible by the public:
 1. The information set forth in Section 9.0;

2. In criminal cases, information that either specifically identifies or from which the identity of jurors, witnesses (other than expert witnesses), or victims could be ascertained, including names, addresses and phone numbers;
 3. Transcripts lodged of record, excepting portions of transcripts when attached to a document filed with the court;
 4. *In Forma Pauperis* petitions;
 5. Case records in family court actions as defined in Pa.R.C.P. No. 1931(a), except for dockets, court orders and opinions;
 6. Case records in actions governed by the [Decedents] Probate, Estates and Fiduciaries Code, Adult Protective Services Act and the Older Adult Protective Services Act, except for dockets, court orders and opinions; and
 7. Original and reproduced records filed in the Supreme Court, Superior Court or Commonwealth Court as set forth in Pa.R.A.P. 1921, 1951, 2151, 2152, and 2156.
- B. With respect to Subsections A(5) and A(6), unless otherwise restricted pursuant to applicable authority, dockets available remotely shall contain only the following information:
1. A party’s name;
 2. The city, state, and ZIP code of a party’s address;
 3. Counsel of record’s name and address;
 4. Docket number;
 5. Docket entries indicating generally what actions have been taken or are scheduled in a case;
 6. Court orders and opinions;
 7. Filing date of the case; and
 8. Case type.
- C. Case records remotely accessible by the public prior to the effective date of this policy shall be exempt from this section.

COMMENTARY

Remote access to the electronic case record information residing in the Pennsylvania Appellate Court Case Management System (PACMS), the Common Pleas Case Management System (CPCMS) and the Magisterial District Judges System (MDJS) is provided via web dockets, available on <https://ujportal.pacourts.us/>, and is governed by the *Electronic Case Record Public Access Policy of the Unified Judicial System of Pennsylvania*.

Depending upon individual court resources, some courts have posted online docket information concerning civil matters. If a court elects to post online docket information concerning family court actions and actions governed by the [Decedents] Probate, Estates and Fiduciaries Code, Adult Protective Services Act and the Older Adult Protective Services Act, the docket may only include the information set forth in Subsection B. This information will provide the public with an overview of the case, its proceedings and other pertinent details, including the court’s decision. Release of such information will enhance the public’s trust and confidence in the courts by increasing awareness of the procedures utilized to adjudicate the claims before the courts as well as the material relied upon in reaching determinations. This provision does not impact what information is maintained on the docket available at the court facility.

Access to portions of transcripts when attached to a document filed with the court in family court actions is governed by Subsection A(5). While Pa.R.C.P. No. 1931 is suspended in most judicial districts, the reference to the rule is merely for definitional purposes.

Section 11.0 Correcting Clerical Errors in Case Records

- A. A party, or the party’s attorney, seeking to correct a clerical error in a case record may submit a written request for correction.
 1. A request to correct a clerical error in a case record of the Supreme Court, Superior Court or Commonwealth Court shall be submitted to the prothonotary of the proper appellate court.
 2. A request to correct a clerical error in a case record of a court of common pleas, the Philadelphia Municipal Court, or a magisterial district court shall be submitted to the applicable custodian.
- B. The request shall be made on a form designed and published by the Administrative Office of Pennsylvania Courts.
- C. The requestor shall specifically set forth on the request form the information that is alleged to be a clerical error and shall provide sufficient facts, including supporting documentation, that corroborate the requestor’s allegation that the information in question is in error.
- D. The requestor shall provide copies of the request to all parties to the case.
- E. Within 10 business days of receipt of a request, the custodian shall respond in writing to the requestor and all parties to the case in one of the following manners:

Court Notices

continued from 48

1. The request does not contain sufficient information and facts to determine what information is alleged to be in error, and no further action will be taken on the request.
 2. The request does not concern a case record that is covered by this policy, and no further action will be taken on the request.
 3. A clerical error does exist in the case record and the information in question has been corrected.
 4. A clerical error does not exist in the case record.
 5. The request has been received and an additional period not exceeding 30 business days is necessary to complete a review of the request.
- F. A requestor may seek review of the custodian's response under Subsections E(1)-(4) within 10 business days of the mailing date of the response.
1. The request for review shall be submitted on a form that is designed and published by the Administrative Office of Pennsylvania Courts.
 2. The request shall be reviewed by the judge(s) who presided over the case. However, if the request for review concerns a magisterial district court's decision, it shall be reviewed by the president judge or his/her designee.

COMMENTARY

Case records are as susceptible to clerical errors and omissions as any other public record. The power of the court to correct errors in its own records is inherent. *E.g., Jackson v. Hendrick*, 746 A.2d 574 (Pa. 2000). It is important to emphasize that this section does not provide a party who is dissatisfied with a court's decision, ruling or judgment a new avenue to appeal the same by merely alleging there is an error in the court's decision, ruling or judgment. Rather, this section permits a party to "fix" information that appears in a case record which is not, for one reason or another, correct.

Particularly in the context of Internet publication of court records, a streamlined process is appropriate for addressing clerical errors to allow for prompt resolution of oversights and omissions. For example, to the extent that a docket in a court's case management system incorrectly reflects a court's order, or a scanning error occurred with regard to an uploaded document, such clerical inaccuracies may be promptly corrected by the appropriate court staff, upon notification, without a court order. Since 2007, the *Electronic Case Record Public Access Policy of the Unified Judicial System of Pennsylvania* has provided a similar procedure for any errors maintained on the web docket sheets of the PACMS, CPCMS and MDJS. The procedure has successfully addressed clerical errors on docket entries in a timely and administratively simple manner.

A party or party's attorney is not required to utilize the procedures set forth in this section before making a formal motion for correction of a case record in the first instance. Alleged inaccuracies in orders and judgments themselves must be brought to the attention of the court in accordance with existing procedures.

This section is not intended to provide relief for a party's or attorney's failure to comply with Sections 7.0 and 8.0 of this policy. Sections 7.0 and 8.0 already provide for remedial action in the event that non-compliance occurs.

With respect to this section, a custodian includes, but is not limited to, the county prothonotaries, clerks of orphans' court, clerks of the court, and magisterial district judges.

A log of all corrections made pursuant to this section may be maintained by the custodian, so that there is a record if an objection is made in the future. Such a log should remain confidential. It is suggested that custodians include a registry entry on the case docket when a request is received and a response is issued.

Section 12.0 Continuous Availability of Policy

A copy of this policy shall be continuously available for public inspection in every court and custodian's office and posted on the Unified Judicial System's website.

EXPLANATORY REPORT

AMENDMENTS TO THE CASE RECORDS PUBLIC ACCESS POLICY OF THE UNIFIED JUDICIAL SYSTEM OF PENNSYLVANIA

On September 15, 2020, effective in 30 days, upon the recommendation of the Administrative Office of Pennsylvania Courts, the Court amended Sections 7.0, 8.0, and 10.0 of the *Case Records Public Access Policy of the Unified Judicial System of Pennsylvania* to clarify existing provisions of the Policy. The specific amendments are detailed below.

Sections 7.0(A) and 8.0(A) have been amended to require filers to safeguard confidential information and/or documents, even when applicable authority requires the confidential information and/or document be included in the filing with the court. Specifically, if the applicable authority (i.e. rule, statute) requires confidential information or a confidential document to be included in the filing, the filer must still follow the respective protocols to safeguard that information and/or document.

Sections 7.0(D) and 8.0(D) have been amended to provide that the certification described in those sections is not required to appear on a separate piece of paper attached to each filing. Rather,

the certification has been included on many forms used in the courts, such as the Confidential Information Form, Confidential Document Form, various magisterial district court forms, and PACFile screens.

Thus, if a person is filing a form on which the certification is provided, there is no need to file a separate certification form. However, the Administrative Office of Pennsylvania Courts has created a sample Certification Form that parties and attorneys may use as a stand-alone document or incorporate in their documents when needed. This form is available on the Unified Judicial System's website, www.pacourts.us.

In addition, the Commentary following Sections 7.0 and 8.0 have been amended to remind attorneys that Rules 1.1 and 1.6 of the Rules of Professional Conduct require familiarity and compliance with this Policy. In Section 10.0, a reference to the Probate, Estates, and Fiduciaries Code has been updated.

RULE 135. TRANSCRIPT OF PROCEEDINGS BEFORE ISSUING AUTHORITY.

(A) The issuing authority shall prepare and forward to the court of common pleas a transcript of the proceedings in all summary cases when an appeal is taken and in all court cases when the defendant is held for court.

(B) The transcript shall contain the following information, where applicable:

- (1) the date and place of hearings;
- (2) the names and addresses of the prosecutor, defendant, and witnesses;
- (3) the names and office addresses of counsel in the proceeding;
- (4) the charge against the defendant as set forth in the prosecutor's complaint;
- (5) the date of issuance of any citation, summons, or warrant of arrest and the return of service thereon;
- (6) a statement whether the parties and witnesses were sworn and which of these persons testified;
- (7) when the defendant was held for court the amount of bail set;
- (8) the nature of the bail posted and the name and address of the corporate surety or individual surety;
- (9) a notation that the defendant has or has not been fingerprinted;
- (10) a specific description of any defect properly raised in accordance with Rule 109;
- (11) a notation that the defendant was advised of the right to apply for the assignment of counsel;
- (12) the defendant's plea of guilty or not guilty, the decision that was rendered in the case and the date thereof, and the judgment of sentence and place of confinement, if any;
- (13) any other information required by the rules to be in the issuing authority's transcript.

Court Notices

continued from 49

(D) Electronic Forwarding of the Transcript

(1) The president judge may order the transcript and any associated documents to be electronically scanned and forwarded to the clerk of courts in an electronic format in lieu of forwarding the physical paper transcript and associated documents.

(2) The electronically scanned transcript and associated documents shall constitute the original documents for purposes of these rules.

(3) The issuing authority shall retain the physical paper transcript and associate documents as may be required by rule of court or records retention policies.

COMMENT: The requirement of a docket was deleted from this rule in 1985 because dockets are now routinely maintained under the supervision of the Administrative Office of Pennsylvania Courts. It is expected that issuing authorities will continue to keep dockets of criminal proceedings. The transcript requirements presuppose an accurate docket to supply the information necessary to prepare a transcript.

The procedures regarding the filing of a transcript after appeal in summary cases are set forth in Rule 460(C) and (D). For such procedures after the defendant is held for court in a court case, see Rule 547. With regard to other information required by the rules to be in the transcript, see, e.g., Rule 542.

The requirement that there be a notation indicating whether the defendant has been fingerprinted as required by the Criminal History Record Information Act, 18 Pa.C.S. § 9112, is to alert the district attorney and the court whether it is necessary to have the defendant fingerprinted after the case is held for court.

NOTE: Formerly Rule 125 adopted June 30, 1964, effective January 1, 1965; suspended effective May 1, 1970, revised January 31, 1970, effective May 1, 1970; renumbered Rule 26 and subparagraphs (b)(5) and (b)(10) amended September 18, 1973, effective January 1, 1974; subparagraph (b)(10) amended April 8, 1982, effective July 1, 1982; previous subparagraph (b)(7) deleted January 28, 1983, effective July 1, 1983; amended July 12, 1985, effective January 1, 1986; effective date extended to July 1, 1986; renumbered Rule 135 and amended March 1, 2000, effective April 1, 2001; amended July 10, 2008, effective February 1, 2009 [.] ; **amended _____, 2020, effective _____, 2020.**

RULE 460. NOTICE OF APPEAL.

(A) When an appeal is authorized by law in a summary proceeding, including an appeal following a prosecution for violation of a municipal ordinance that provides for imprisonment upon conviction or upon failure to pay a fine, an appeal shall be perfected by filing a notice of appeal within 30 days after the entry of the guilty plea, the conviction, or other final order from which the appeal is taken. The notice of appeal shall be filed with the clerk of courts.

(B) The notice of appeal shall contain the following information:

- (1) the name and address of the appellant;
- (2) the name and address of the issuing authority who accepted the guilty plea or heard the case;
- (3) the magisterial district number in which the case was heard;
- (4) the name and mailing address of the affiant as shown on the complaint or citation;
- (5) the date of the entry of the guilty plea, the conviction, or other final order from which the appeal is taken;
- (6) the offense(s) of which convicted or to which a guilty plea was entered, if any;
- (7) the sentence imposed, and if the sentence includes a fine, costs, or restitution, whether the amount due has been paid;
- (8) the type or amount of bail or collateral, if any, furnished to the issuing authority;
- (9) the name and address of the attorney, if any, filing the notice of appeal; and
- (10) except when the appeal is from a guilty plea or a conviction, the grounds relied upon

for appeal.

(C) Within 5 days after filing the notice of appeal, a copy shall be served either personally or by mail by the clerk of courts upon the issuing authority, the affiant, and the appellee or appellee's attorney, if any.

(D) The issuing authority shall, within 20 days after receipt of the notice of appeal, file with the clerk of courts:

- (1) the transcript of the proceedings;
- (2) the original complaint or citation, if any;
- (3) the summons or warrant of arrest, if any; and
- (4) the bail bond, if any.

(E) **Electronic Forwarding of the Transcript**

(1) The president judge may order the transcript and any associated documents to be electronically scanned and forwarded to the clerk of courts in an electronic format in lieu of forwarding the physical paper transcript and associated documents.

(2) The electronically scanned transcript and associated documents shall constitute the original documents for purposes of these rules.

(3) The issuing authority shall retain the physical paper transcript and associate documents as may be required by rule of court or records retention policies.

[(E)] (F) This rule shall provide the exclusive means of appealing from a summary guilty plea or conviction. Courts of common pleas shall not issue writs of *certiorari* in such cases.

[(F)] (G) This rule shall not apply to appeals from contempt adjudications.

COMMENT: This rule is derived from former Rule 86(A), (D), (E), (F), (H), and (I).

This rule applies to appeals in all summary proceedings, including appeals from prosecutions for violations of municipal ordinances that provide for the possibility of imprisonment, and default hearings.

This rule was amended in 2000 to make it clear in a summary criminal case that the defendant may file an appeal for a trial *de novo* following the entry of a guilty plea.

Appeals from contempt adjudications are governed by Rule 141.

The narrow holding in *City of Easton v. Marra*, 326 A.2d 637 (Pa. Super. 1974), is not in conflict, since the record before the court did not indicate that imprisonment was possible under the ordinance there in question.

See Rule 461 for the procedures for executing a sentence of imprisonment when there is a stay.

"Entry," as used in this rule, means the date on which the issuing authority enters or records the guilty plea, the conviction, or other order in the magisterial district judge computer system.

When the only issues on appeal arise solely from an issuing authority's determination after a default hearing pursuant to Rule 456, the matter must be heard *de novo* by the appropriate judge of the court of common pleas and only those issues arising from the default hearing are to be considered. It is not intended to reopen other issues not properly preserved for appeal. A determination after a default hearing would be a final order for purposes of these rules.

Paragraph (D) was amended in 2003 to align this rule with Rule 401(A), which permits the electronic transmission of parking violation information in lieu of filing a citation. Therefore, in electronically transmitted parking violation cases only, because there is no original citation, the issuing authority would file the summons with the clerk of courts pursuant to paragraph (D)(3).

Rule 462(D) provides for the dismissal of an appeal when the defendant fails to appear for the trial *de novo*.

See Rule 462(F) regarding the retention of a case at the court of common pleas when a petition to file an appeal *nunc pro tunc* has been denied.

Certiorari was abolished by the Criminal Rules in 1973 pursuant to Article V Schedule Section 26 of the Constitution of Pennsylvania, which specifically empowers the Supreme Court of Pennsylvania to do so by rule. This Schedule section is still viable, and the substance of this Schedule section has also been included in the Judicial Code, 42 Pa.C.S. § 934. The abolition of *certiorari* continues with this rule.

RULE 547. RETURN OF TRANSCRIPT AND ORIGINAL PAPERS.

(A) When a defendant is held for court, or after the issuing authority receives notice that the case will be presented to the indicting grand jury and closes out the case, the issuing authority shall prepare a transcript of the proceedings. The transcript shall contain all the information required by these rules to be recorded on the transcript. It shall be signed by the issuing authority, and have affixed to it the issuing authority's seal of office.

(B) The issuing authority shall transmit the transcript to the clerk of the proper court within 5 days after holding the defendant for court or after closing out the case upon receipt of the notice that the case will be presented to the indicting grand jury.

(C) In addition to this transcript the issuing authority also shall transmit the following items:

- (1) the original complaint;
- (2) the summons or the warrant of arrest and its return;
- (3) all affidavits filed in the proceeding;
- (4) the appearance or bail bond for the defendant, if any, or a copy of the order committing the defendant to custody;
- (5) a request for the court of common pleas to issue a bench warrant as required in Rule 543(D)(3)(b);
- (6) notice informing the court of common pleas that the defendant has failed to comply with the fingerprint order as required in Rule 543(D)(3)(b)(ii); and
- (7) a copy of the notice that the case will be presented to the indicting grand jury.

(D) Electronic Forwarding of the Transcript

(1) The president judge may order the transcript and any associated documents to be electronically scanned and forwarded to the clerk of courts in an electronic format in lieu of forwarding the physical paper transcript and associated documents.

(2) The electronically scanned transcript and associated documents shall constitute the original documents for purposes of these rules.

(3) The issuing authority shall retain the physical paper transcript and associate documents as may be required by rule of court or records retention policies.

COMMENT: See Rule 135 for the general contents of the transcript. There are a number of other rules that require certain things to be recorded on the transcript to make a record of the proceedings before the issuing authority. See, e.g., Rules 542 and 543.

When the case is held for court pursuant to Rule 543(D)(3), the issuing authority must include with the transcript transmittal a request for the court of common pleas to issue a bench warrant.

When the case is held for court pursuant to Rule 543(D)(3)(b)(ii), the issuing authority must include with the transcript transmittal a notice to the court of common pleas that the defendant has not complied with the fingerprint order issued pursuant to Rule 510(C)(2). See Rule 543(D)(3)(b)(ii). The court of common pleas must take whatever actions deemed appropriate to address this non-compliance.

See Chapter 5 Part E for the procedures governing indicting grand juries. Pursuant to Rule 556.2(A)(3), the judge is required to notify the issuing authority that the case will be presented to the indicting grand jury. Pursuant to Rule 556.11(A), upon receipt of the notice, the issuing authority is required to close out the case in his or her office, and forward it to the court of common pleas for all further proceedings. When the case is transmitted to the court of common pleas, the clerk of courts should associate the transcript and other documents transmitted by the issuing authority with the motion and order filed pursuant to Rule 556.2(A)(5).

When arrest warrant information has been sealed pursuant to Rule 513.1, the arrest warrant information already will have been filed with the clerk of courts. When the case is transmitted to the court of common pleas, the clerk of courts should associate the transcript and other documents transmitted by the issuing authority with the original file created for the sealing procedure.

Proposed Amendment of Pa.Rs.Crim.P. 135, 460, and 547

ELECTRONIC TRANSFER OF RECORDS FROM MAGISTERIAL DISTRICT JUDGE COURT TO COMMON PLEAS COURT

The Committee recently examined a question regarding the forwarding of original case records from the minor courts to clerk of courts' offices. Currently, the rules require the physical documents to be transferred from one office to another. With the increased use of technology for the electronic filing of documents, the question was whether this physical transfer is necessary.

The Magisterial District Judge System (MDJS) currently provides scanning capabilities, through the Electronic Records Management System ("ERMS"), to all magisterial district judge (MDJ) offices throughout the Commonwealth. MDJs are capturing images of documents filed in their courts that potentially could be used to transfer the required documents solely by electronic means. The rules currently do not contemplate such an exclusively electronic transfer.

This question had been examined by the Committee while the original electronic filing rules were being developed. At the time, the Committee concluded that, because electronic filing as a whole was new, it would be best to continue to require paper documents to be retained in the case file and to continue the physical sending of these papers to mark the transfer of the case from the MDJ court to the common pleas court. It was felt that the retention of this long-established practice would avoid any confusion during the process of transfer.

Electronic filing rules have been in place for several years now, with considerable success and popularity. There is a growing interest in many courts to "go paperless" and the technology has advanced to the point where this is becoming increasingly practical. The *Comment* to the Rule 576.1 (Electronic Filing and Service of Legal Papers) recognizes the advantages of paperless files and does not preclude their use, at least once the case is at the common pleas level:

A file in physical paper format is not required by this rule. If the local rule requires a file in physical paper format, the requirement may extend to all cases or only to certain specified cases. For example, the court may require files in physical paper format for cases listed for trial or scheduled for argument while maintaining only electronic files for all other cases.

Since the advent of Common Pleas Case Management System (CPCMS), most of the case information has been sent electronically from the MDJ courts to the common pleas courts. The introduction of the ERMS scanning technology into the MDJS has added electronic copies of the actual documents to that transfer. Currently, there are a number of judicial districts that transfer both a scanned electronic file and the physical file.

The Committee concluded that there was not a compelling reason for mandating the transfer of the physical file between the two levels of court in all cases. At a minimum, relying on an electronic transfer would save the costs associated with mailing of the physical file. However, the Committee believes that the practice should be voluntary and only those judicial districts that were comfortable with the practice should avail themselves of this method of transfer. The physical file would be maintained and retained at the MDJ offices to effectuate compliance with the Court's Record Retention Policy.

Therefore, language would be added to Rules 135 and 547 that would permit a judicial district to "opt in" to using scanned electronic documents to constitute the file that was transferred

from the MDJ court to the common pleas court by order of the president judge. These electronically transferred documents would be deemed the "original" documents.

Although the original question presented to the Committee regarded records in court cases, the Committee concluded that there is no reason why the transfer of the records in summary appeal cases should be handled differently than court case transfers. Therefore, the proposed amendments to Rule 135 do not distinguish between summary and court case. Additionally, the language similar to that to be added to Rule 547 would be added in Rule 460, regarding summary case appeals.

FIRST JUDICIAL DISTRICT OF PENNSYLVANIA PHILADELPHIA MUNICIPAL COURT President Judge Administrative Order

No. 55 of 2020

In re: Service of Writs and Alias Writs of Possession by the Philadelphia Municipal Court's Landlord-Tenant Officer

ORDER

AND NOW, this 9th day of September, 2020, pursuant to Pa.R.J.A. No. 1952(B)(2) and in light of the September 1, 2020 Order of the Centers for Disease Control and Prevention, it is hereby ORDERED AND DECREED THAT:

- (1) The Philadelphia Municipal Court's Landlord-Tenant Officer is directed to not serve any alias writs of possession in residential cases until September 23, 2020. An alias writ of possession is served at the time of the eviction/lockout.
- (2) The Philadelphia Municipal Court's Landlord-Tenant Officer is permitted to serve sixty writs of possession in residential cases between September 8 and 12, 2020, and ninety writs of possession in residential cases between September 14 and 19, 2020. Beginning on September 21, 2020, there shall be no limit as to the number of writs of possession in residential cases that the Landlord-Tenant Officer may serve. Along with a writ of possession, the Landlord-Tenant Officer, shall serve a notice describing the Centers for Disease Control and Prevention's September 1, 2020 Order and a blank Declaration. A writ of possession is served prior to an eviction/lockout and provides notice that an eviction/lockout may follow. In residential cases in which a writ of possession is served, no eviction/lockout will occur any earlier than September 23, 2020.
- (3) In calculating the six-month period set forth in Rule 126(e) ("[a]n alias writ of possession may not be issued after six months from the date of the judgment for possession without leave of court") and the 180-day period for serving alias writs of possession (the practice of the Philadelphia Municipal Court is to serve the alias writ of possession within 180 days from the entry of a judgment for possession), the time from March 16, 2020 through and including November 2, 2020 shall be excluded from the computation of those time periods.
- (4) This Order supersedes conflicting provisions contained in any prior Administrative Order.
